

Accountancy fees from £40 per month

We offer cost effective accountancy packages tailored to meet your business needs

Our expert team will create your accountancy package and quotation that can either be paid on a weekly or monthly basis.

The quotation that we give you will cover all aspects of the services included in your package, resulting in no unexpected bills. Our quotation also includes any filing fees to companies House or HMRC.

We offer free company incorporation!

The services we offer that can be quoted in your package include:

- Payroll (Process employee payroll and submit to HMRC and also provide employees with payslips)
- CIS300 contractor monthly returns (Process Sub-contractor payments and submit to HMRC and provide PDS statements to Sub-contractors)
- VAT (Prepare and submit VAT returns to HMRC)
- Company Accounts (Prepare and submit company accounts to Companies House)
- CT600 tax return (Corporation tax return- Prepare and submit corporation tax return to HMRC and calculate tax liability)
- Confirmation Statement- (Preparation and submission to Companies House)
- Directors Self-assessment tax returns (Prepare and submit director's dividends to HMRC and calculate tax liability)
- Bookkeeping (General bookkeeping, invoicing and credit control)

All these services can be combined into an accountancy package with monthly fees starting from £40 a month
